# MOTHER SLAIN AS BABY PLAYED IN THE STREET

Body of Italian Woman Found with Rope Tied Tightly About Neck.

#### CASE PUZZLE TO POLICE

Victim and Her Little Girl Only Occupants of Rooms-Slayer Made Sure Knots Wouldn't Slip.

Harris, who fell heavily on the sidewalk Mrs. Rose Cucenello, forty years old, with the patrolman on top, Lazaroff and living with her three-year-old daughter, two other patrolmen appeared. Harris Anna, on the top floor of the four story was quickly overpowered and searched. In his hip pocket was a loaded revolver and brick tenement house at No. 232 East in his overcoat a long steel jimmy, a steel 29th strot, was found lying dead on the bed in one of the two rooms which she drill and other implements used by buroccupied last night. A rope attached to glars. An examination of the premises showed that the outer hall door and anthe bedpost, with three knots in the other door leading from the hall into the back, was tied around her neck. saloon had been forced. Presumably Harris had just managed to enter the saloon

A rubber bag was hanging on the wall near the bed, the hard rubber tube of which was fastened in the knots of the proach of Carroll by a confederate, who rope to make them secure. 'The woman's face was covered and she was partly Coroner's Physician Lehane, who viewed the body, gave it as his opinion that the woman had been mur-

Mrs. Josie Pollecino, who According occupies apartments on the first floor of the house, she noticed little Anna playing in the street in front of the house yesterday. She first saw the child early in the morning, and several pened to be at the window, she said sho clared as it began to grow dark and the little one was not called indoors she went

the two rooms in darkness. There are three other families on the floor

as he was opposite the hall door a man who proved to be Harris rushed out. Car-Professor James H. Hyslop, in the April roll grappled with Harris, who at the number of "The Journal of the American same time made an effort to reach his hip Society for Psychical Research," has repocket. Carroll seized the man's arm and corded his experiences with Miss Etta De drew his own revolver, using the handle Camp, a young woman who professes through the medium of communication with Finally, just as Carroll managed to trip the spirit world, to have become the amanuensis of the late Frank R. Stockton in continuing his work of producing fiction since he has left this life.

Professor Hyslop does not seek in his record to vouch for the genuineness of the fiction as the work of Mr. Stockton, but to unavoidable. And there is a quotation of ago he had received threatening letters deletters from magazine editors concerning manding money, and promising a bomb the stories that is amazingly naïve. For example, there is this letter from H. M. Alden, the editor of "Harper's"

I have read the stories you kindly left with me. I am sorry to find they would not meet our wants for magazine use, and if we were to take them as a production of Frank R. Stockton his literary executors would probably be able to prosecute us for exemplary damages, but they are very real. when he was given a signal of the ap-Harris, who was severely bruised, told Carroll that it might have been different if he could have got hold of his revolver. One may imagine, possibly, a magazine He was charged with burglary, carrying editor saying that stories by Frank R. burglars' implements and having a loaded Stockton "would not meet our wants for revolver. Magistrate Dodd, in the Manmagazine use." But Professor Hyslop finds hattan avenue court, held him without bail that "the acknowledgment that the stories are very real practically corroborates the TO STUDY PUBLIC UTILITIES judgment of Mr. Meader. Mr. Meader is the editor of "The Com-

gave his opinion of it as follows: There are lots of points in it in keeping with Stockton's thought and style. If you were to take our certain extracts and paste them together. I think that almost any literary critic would recognize the Stockton hallmarks. If he had to read stockton hallmarks. counced that Dr. John H Gray, professor of economics in the University of Minne-

her I need it and can use her active brain better than a sleeping one. The result is what I am after. I do not care a fig for Miss De Camp's description of the way

he stories were written differs from Stockton's idea of suggestion. She says: "In the beginning the stories were mere sketches. There was a man, and he did No conversation. A mere sketch. The first two. The next time I sat down to write I said to Stockton: 'You must make these stories more clear. Fill them in. I have no literary ability. I am willing to sit here and write them out for you. You know I talk to him as I do to you.' Then I began. The next story was fuller, more complete, and up to the last story you don't have to change a word.

### BOMB WRECKS STORE Occupants of Tenement House

Thrown Into Panic. The "bomb belt" still remains true to its name, for early this morning there was another loud explosion, in a grocery store owned by John Caliza, at No. 412 East 12th street. The Italian told the police of the one who accepts his views the inference is East 5th street station that three weeks

no cash was forthcoming. He and his wife and three children were in bed when the explosion occurred this morning. The store was wrecked, and several other stores in the neighborhood lost their windows. The shop is in the ground floor of a five story tenement house and the occupants went into a panie in at

Patrolman O'Rourke could find no one who had been in the street when the crash came. The police say that there have been at least twenty-five bomb explosions in th neighborhood within a year.

#### FIGHT BIGGER PAYROLLS

City Club and Citizens Union Pro-Camp manuscript, and on February 13, 1912 test Against Tammany Measures. Statements were issued yesterday by

both the City Club and the Citizens Union protesting against the final executive at proval of some of the bills passed in the losing hours of the last Legislature, which would make mandatory increases in th payrolls of New York City. Senator Culten's bill providing for the

regrading of all "doormen" as patrolme the police force, with a consequent to crease in salary, is denounced in both state ments as a bill that would make mandator alary increases aggregating \$76,000 on city's payroll.

In the City Club's statement, with r gard to the Cullen bill, it is contended that if the rank of "doormen" is to be abolished those doormen who are unfit for police duty should be retired on the pensions to which hey are now eligible, "and that only thos substantially fit for police duty should o advanced to the salary and other rights of an patrolmen

The City Club makes objection also Senator Black's bill establishing a pensifund for employes of the Department and Assemblyman Goldberg bill prohibiting the merging of eligible lis the Department of Education

Payroll increase bills for deputy clerk the General Sessions Court, in the Queer District Attorney's office and in the Mo nicipal Court are among others objected y the Citizens Union.

#### RELIGION IN HIPPODROME 4.000 Attend First Big Meetin of Forward Movement.

More than four thousand men and bo ternoon to attend the mass meeting he and Fred Smith, originator of the forwar gramme, in the absence of Lishop Day harles A. Barber. John D. Rockefeller, it, occupied one of the boxes and showed

Haymond Robins, miner and social worker, mounted the speakers' platform and discussed "The Social Message of the Gospel." during which he said that the Commandments. The commandment "Thou shalt not steal," said Mr. Robins, applies lertsstelling will be established between tity. They took place in February and man who does not pay his employes what they deserve, said the speaker.
